Dear Sir or Madam,

On behalf of the ALS Association Florida Chapter, I want to sincerely thank you for your generous gift of \$200.00 received 5/23/2011 for Higgy's Heroes ALS Bar-B-Q for Hope.

Through your generosity, our caring patient services staff can continue to provide strength to people with ALS in our community. Vital medical equipment loans, organized support groups for patients and family members, and needed respite for caregivers are just some of the many programs we offer to improve living with ALS. As important, your support helps enable the ALS Association to continue to expand leading-edge research that will inevitably lead to finding viable treatments and a cure for ALS.

Once again, we are especially appreciative of your support. You are making a difference!

Sincerely,

Kim Hanna, President  
The ALS Association Florida Chapter
