Gulf Breeze Sertoma Club,  
Thank you so much for the donation  
of this laptop, I had planned to  
buy one after graduation and now the  
worry has been lifted off my shoulders,  
I have never known a college student who  
didn't value their computer to help them.  
I greatly appreciate what you have  
provided for me. I will be using this  
thru out my college experience and  
career. Thank You

Dear Gulf Breeze Sertoma,  
Thank you so much for funding  
my new laptop! This is such  
an incredible surprise! I'm still  
waiting to wake up and it all  
be a dream. I feel like I'm  
on Oprah. ☺

Much Love,  
Johnny Mae
